Property Details

A spacious one bedroom garden flat, split over two floors of a Heaver Estate conversion, set back from Bedford Hill. With over 750 square feet, all rooms feel wonderfully spacious with an airy and inviting ambience. The heart of the home is the expansive open-plan reception, with a glass feature wall and room to lounge, cook and dine. Fully integrated with Miele appliances, the kitchen has plentiful storage within gloss cabinetry, finished with worktop lighting. A separate utility under the stairs keeps the laundry neatly away. Sliding glass doors allow a seamless transition to the private garden. South-West facing this sheltered spot is a fantastic sun-trap. Upstairs, the double bedroom is significant in size, set behind characterful arched sash windows framed with shutters for privacy without interrupting the light. This grand yet soothing space features a modern glass balustrade, large floor-to-ceiling wardrobes and generous space for further storage. The bathroom is tastefully finished with a rain shower over double-ended bathtub, ideal for a soak in the bubbles after a stroll around Tooting Bec Common. This beautiful home is completed by access to a secure bike shed, shared with the others within the building.
