Property Details

A charming split-level one bedroom flat with London skyline views, arranged over the top two floors of a handsome Victorian conversion. Lovingly owned for over 16 years, this rarely available top-floor home spans over 600 square feet and is full of character and warmth. The impressive reception room features a working fireplace, perfect for cosy winter evenings, while the bright, airy layout provides ample space for lounging and dining. The kitchen, freshly repainted in soft green, is well-equipped with generous storage down both sides, and pleasant views from the sink. A neutral bathroom with a bathtub and overhead shower offers a relaxing retreat after a stroll in nearby Brockwell Park. Upstairs, the peaceful double bedroom, set above street level, enjoys far-reaching skyline views. Significant eaves storage keeps belongings neatly tucked away. The roof, newly replaced in December 2022, adds peace of mind, and the friendly community benefits from a Low Traffic Neighbourhood, a new new coffee shop and ice cream parlour, and excellent transport links. A fantastic opportunity for those seeking a well-located, characterful home.
